HUDSON BAY 350

Side profile

OVERVIEW

Our Hudson Bay 350 is superbly designed with a modern fl air. She will turn heads at any marina or anchorage and is powered by a Volvo D4 260 HP electronic diesel shaft drive engine.

Included for your comfort is a 4kw generator and a full Garmin electronics package, Corian benchtops and ultra-leather upholstery. An enclosed saloon area on one level with the cockpit for ease of entertaining with wide opening saloon doors. The galley is on the starboard side of the saloon along with a clever double forward facing port side cruising seat at the front of the saloon opposite the helm. The Owners cabin has a queen bed, hanging lockers and extra storage. A very clever bathroom design allows for a separate stand up shower along with generous toilet facilities and a bathroom sink. An exceptional mix of contemporary layout and features along with a timeless elegance makes the HB350 a unique new motor yacht to own.
