The choice of interior is equally extensive

This is especially true, given the fact that we have handpicked four beautiful interior design schemes for you to choose from:

AMALFI

Inspired by Liguria's local architecture, this scheme exudes the sunny warmth synonymous with fragrant Italian lemon trees and the umbrella-lined shores of the Amalfi coast.

CAPRI

Understated, earthy colours, effortlessly combined with rich natural textures. All the hallmarks of an interior design collection that is as gentle as the Mediterranean breeze.

HAMPTONS

Evoking elegant vintage design cues, whilst offering a bold and contemporary interpretation of the luxury that was once the preserve of America's East Coast.

ST. TROPEZ

An ode to the sea where all manner of deep, oceanic blues tastefully swirl with muted greys, delicate creams and classic nautical motifs.

Last year we celebrated our 50th anniversary

It was truly a Year Of Golden Moments

It's not enough to build a beautiful boat just for the sake of it. Building the kind of yachts which we are proud to put the Fairline name to, requires something more than just engineering genius or craftsmanship. It also requires the desire to create extraordinary moments for whoever owns it. Moments of joy, exhilaration, excitement...and even tranquility.

With 2017 being our 50th Anniversary, we took every possible opportunity to celebrate those incredible, golden moments since the brand's founder Jack Newington first launched the famous Fairline 19. This included moments like winning the World Yacht Trophy for 2017, becoming a finalist for the Motor Boat of the Year 2018 and being nominated for the European Powerboat of the Year 2018!
