

Venture out in style with the  
**SQUADRON 64**

Every. Perfect. Detail.

# Grand design meets the grand tour

As beautiful as it is - with its exquisitely designed good looks - the Squadron 64 is an intrepid adventurer at heart. Which is probably why it is easily described as graceful and rugged in the same breath.

From the outside, Alberto Mancini's vision of strong, bold lines almost seem to push the entire craft forward...as if it's constantly eager to head out at full tilt to discover new shores, untouched coves and exotic hideaways.

However, once you're aboard, every element you encounter has been purpose-built to beguile you into a state of absolute luxury. Gleaming lacquered wood panels slip elegantly into the background as you walk through the main deck, all on a single continuous plain, without single step in sight.

The flybridge above, extends out unapologetically with more than enough room for lounging in at least three separate areas. Below deck, every possible convenience and comfort has been thought of...

...exploring has never been so glamorous.

# Interior decor to reflect your own signature style

In the spirit of building the perfect yacht at every possible level, we have also carefully created four different interior design schemes for you to choose from:

## AMALFI

Inspired by Liguria's local architecture, this scheme exudes the sunny warmth synonymous with fragrant Italian lemon trees and the umbrella-lined shores of the Amalfi coast.

## CAPRI

Understated, earthy colours, effortlessly combined with rich natural textures. All the hallmarks of an interior design collection that is as gentle as the Mediterranean breeze.

## HAMPTONS

Evoking elegant vintage design cues, whilst offering a bold and contemporary interpretation of the luxury that was once the preserve of America's East Coast.

## ST. TROPEZ

An ode to the sea where all manner of deep, oceanic blues tastefully swirl with muted greys, delicate creams and classic nautical motifs.

## Grand proportions, graceful profile

- Length overall: 66’8” (20.37m)

# Main Deck

Beautifully set on a single level, the saloon flows elegantly around an open and aft-facing galley. Lightness and extraordinary detail work magically together to transform this remarkable space.

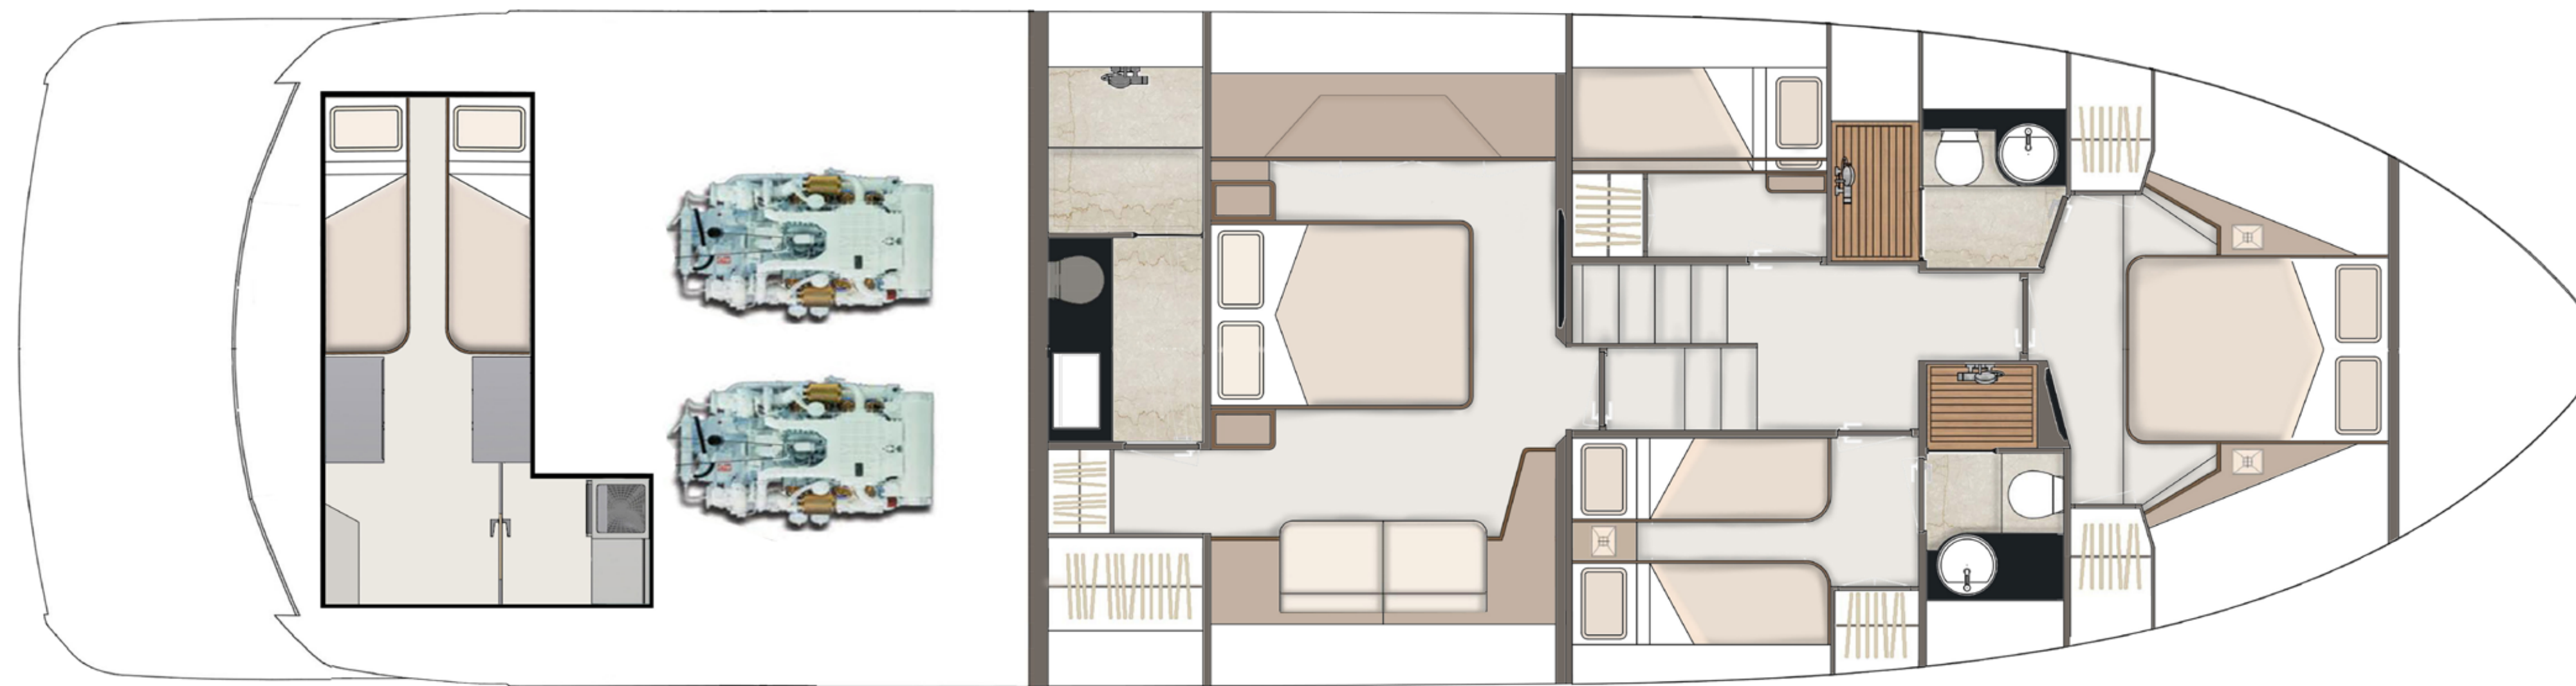

## Lower Deck – 3 Cabin

The vast master cabin, boasts it's own seating area, double bed and a cleverly concealed en suite bathroom. Other sleeping arrangements include a spacious en suite forward cabin with a double bed and an en suite guest cabin with two single beds. A day head fits comfortably in-between.

## Lower Deck – 4 Cabin

With the 4-cabin configuration, enjoy extra space for more guests by replacing the day head with an additional 2-bunk bed cabin. (Both 3 and 4-cabin configurations include the option of adding a twin-bed aft crew cabin with its own en suite facilities).

# Last year we celebrated our 50th anniversary

## It was truly a Year Of Golden Moments

It's not enough to build a beautiful boat just for the sake of it. Building the kind of yachts which we are proud to put the Fairline name to, requires something more than just engineering genius or craftsmanship. It also requires the desire to create extraordinary moments for whoever owns it. Moments of joy, exhilaration, excitement...and even tranquility.

With 2017 being our 50th Anniversary, we took every possible opportunity to celebrate those incredible, golden moments since the brand's founder Jack Newington first launched the famous Fairline 19. This included moments like winning the World Yacht Trophy for 2017, becoming a finalist for the Motor Boat of the Year 2018 and being nominated for the European Powerboat of the Year 2018!

# An unrivalled dealership network

Just like the many parts that make up one of our extraordinary yachts, so too are international dealers handpicked and perfectly placed to cover anything and everything you could want from Fairline (you can visit [fairline.com](https://www.fairline.com) for details of your nearest dealer).
